How would you rate your local services?

What do you consider your national identity to be?

Does your health limit you a lot, a little or not at all?

Thank you for your help and participation in Understanding Society.

It is only by talking to the same people each year that we can build a picture of how lives are changing over time. This is why you are so valuable to the study.

The anonymous information you share is being used by social researchers, policy-makers in government, charities and other third sector organisations in the UK and around the world to shape and guide new policy.
