COMPLETING THE QUESTIONNAIRE

The questions inside cover a wide range of subjects, but each one can be answered by marking an "x" in the box next to the answer you want to give, as in the example below.

Please complete the questionnaire in **black or blue ink**, keeping your answers within the boxes. This questionnaire will be read by a scanner so please mark your answers in the spaces provided. If you have made a mistake in your answer or changed your mind please completely fill the box to show the mistake and then put an "x" in the box next to the correct answer.

Next to some of the boxes are arrows and instructions. They show or tell you which question to answer next. If there are no special instructions, just answer the next question.
