Text: Hi and welcome to the Understanding Society Youth Survey!

Understanding Society explores what it's like to live in the UK. Everyone in the household is invited to participate, and **you** are an important part of the study too.

To find out more about our youth survey and see some of our research findings, please visit our website here:
<https://www.understandingsociety.ac.uk/youth/>

Your views are very important to us, so please answer the questions as best as you can. If there is any question that you don't want to answer, just press the next button (>) to go onto the next question.

Text: We have legal responsibility to protect your personal data. To learn more about how we do it, read the information below.

The General Data Protection Regulation (GDPR) sets out the rules under which we process and use your personal details, such as your name, address, and date of birth.

Your personal details are only used so we can:

- contact you each year to invite you to help us with another round of the survey
- send you information about some of the results of the study

Your personal details are never made available to any other companies or individuals outside the Understanding Society team at the Institute for Social and Economic Research, Verian and NatCen Social Research.

For more information about Understanding Society and data security please visit our website:

Text: Imagine that this ladder pictures how UK Society is set up. At the top of the ladder are the people who are the best off - they have the most money, the highest amount of schooling, and the jobs that bring the most respect. At the bottom are people who are the worst off - they have the least money, little or no education, no job, or jobs that no one wants or respects. Now think about your family. Please tell us where you think your family would be on this ladder. Type in the number that best represents where your family would be on this ladder.
