

Adding information from administrative education records - adults

Please read this form and sign below if you give your permission for us to add information from education sources to your survey responses. You can withdraw your permission at any time in the future.

I have received a leaflet explaining what education data may be added to the survey and how it would be used. I have had the opportunity to ask questions. Please write your initials to verify the following

EDUCATION DATA

INITIALS

I authorise ISER to provide the minimum amount of my personal details (full name, full address, date of birth and gender) to, depending on the nation(s) in which I was educated, the Department for Education in England; the Department for Education and Skills in Wales; Education Analytical Services in Scotland; or the Department of Education / Education and Skills Authority in Northern Ireland so that my educational records held by them can be identified. They will then create a link between my education record and my survey responses before making my record anonymous. The education record will be placed on a secure computer so that researchers can use it for the purposes of research and statistics. My personal details will not be used for any other purpose and my dealings with the education authority will not be affected.

If you give permission for us to collect any of this information please sign below. Your permission will stay in place unless you write to us to say you want it removed. This is detailed in the information leaflet. We will remind you of the permissions you have given periodically. You can contact the research team on, **Freephone 0800 252 853** or by writing to **Freepost RRXX-KEKJ-JGKS, Understanding Society, University of Essex, Wivenhoe Park, Colchester, CO4 3SQ**
