I'd like to ask you a few questions now about what you might have been doing since <INTDATE>/September 1st 2007 in the way of paid work, unemployment, or things like time spent retired or looking after your family.

As we need to get as complete a picture as possible I'd like you to tell me about any spells you may have had in or out of paid employment, even if they were just a few days when you were waiting to take up another job. I'd also like you to tell me about any changes that might have happened while you were working like getting promoted or starting a different job with the same employer.

I'll start by asking about the {job} (if ACTT1 = 1 or 2 or J9b = 1 or 2) / period of (<ACT1> / <J9b>) which you were doing on <INTDATE> / September 1st 2007.

**INTRODUCTION:** One of the most important parts of our research is how people are getting by financially these days. We have found that we need to ask about a number of different types of income because otherwise our results could be misleading. I'd like to remind you that anything you tell me is completely confidential.

F1 I am going to show you four cards listing different types of income and payments. Please look at this card (**SHOWCARD 55**) and tell me if, since September 1st 2007, you have received any of the types of income or payments shown, either just yourself or jointly?
