One of the most important parts of our research is how people are getting by financially these days. We have found that we need to ask about a number of different types of income, otherwise our results could be misleading. Please think about ALL of the extra sources of income you receive, as well as any benefits or tax credits. If you are at all unsure about whether something would count, you can check with me. Scripting Notes

MisSource is an indicator designed to identify benefit and unearned income sources that were not recorded at the current wave but were recorded at the previous wave. A flag is created for each unearned income source if it has been coded as received in the current interview. This flag is then compared with the ff variable for that income source.

If enumerated at wave t-1 and enumerated at wave t then MisSource = 0.

If not enumerated at wave t-1 and not enumerated at wave t then MisSource = 0.

If not enumerated at wave t-1 but enumerated at wave t then MisSource = 0.

If enumerated at wave t-1 but not at wave t then MisSource = 1.

This calculation becomes more complicated once Universal Credit has been introduced, because the answer at the current wave will be Universal Credit and at the previous wave it will be something else (but mean the same thing). Hence this extra code....

If Istrdate after 31/03/2013, code MisSource = 0 if claims Personal Independence Payment (BenDis = 12) and at t-1 respondent claims Disability Living Allowance (ff_bentype10).

If Istrdate after 30/09/2013, code MisSource = 0 if claims Universal Credit (BenBase = 4) and at t-1 respondent had claimed Income Support (ff_bentype15), Job Seeker's Allowance (ff_bentype16), Employment Support Allowance (ff_bentype33), Housing Benefit (ff_bentype22), Rent Rebate (ff_bentype31), Child Tax Credit (ff_bentype19) or Working Tax Credit (ff_bentype20).

This information includes details such as the schools or colleges you've attended, the courses you've studied and the qualifications you've gained as well as other characteristics such as attendance, suspensions or exclusions, whether you have/had a special educational need, or have ever been eligible for free school meals.

We would like to add this information to your survey answers. This will create a more accurate picture of your life and experiences, and will be used for research and statistical purposes only. It will be kept confidential and names and addresses are never included in the results. No individual can be identified in reports. We would like to link in information about your education to your survey responses on a yearly basis.

To do this we need your permission to pass the minimum amount of your personal details (your full name, gender, date of birth and full address) to [\[The Department for Education\]](#){if SCHOOLCNTRY = 1} / [\[the Education Analytical Services\]](#){if SCHOOLCNTRY = 2} / [\[The Department for Education and Skills\]](#){if SCHOOLCNTRY = 3} / [\[The Department of Education and the Education and Skills Authority\]](#){if SCHOOLCNTRY = 4} so they can identify your individual education record.
