Imagine that this ladder pictures how UK Society is set up. At the top of the ladder are the people who are the best off - they have the most money, the highest amount of schooling, and the jobs that bring the most respect. At the bottom are people who are the worst off - they have the least money, little or no education, no job, or jobs that no one wants or respects.

Now think about your family. Please tell us where you think your family would be on this ladder. Mark the rung that best represents where your family would be on this ladder with an 'x'.

YPSSSSFAM

64

Now assume that the ladder is a way of picturing your school. At the top of the ladder are the people in your school with the most respect, the highest grades, and the highest standing. At the bottom are the people whom no one respects, no one wants to hang around with, and have the worst grades.

Where would you place yourself on this ladder? Mark the rung that best represents where you would be on this ladder with an 'x'.
